that have an ‘ear to hear’ what the  
Spirit is saying to the Church!!**

## **INTRODUCTION**

**T**he purpose of this book, is one that I know will make a lot of people highly upset. It is to show Christians, especially those Christians, that are African American, how the party, that they support, is actually, their enemy.

Many of you will probably balk at what is going to be said, however, it is the absolute truth.

Now, from the offset, let me say this. By no means, am I saying that the Republican party, has no faults, in other words, they are not perfect. Neither am I saying that all Democrats are evil. What I am saying though is this, of the two parties, the leadership, and hidden agenda of the Democratic party, and its supporters, is about as far away from what God says is right, as you can get. In fact I would dare say, it is showing all of the traits of the antichrist

The Republican party, on the other hand, is a whole lot closer to the standards that God has given us to follow.

Now, you might be asking yourself, just who do I think I am, making these charges against this party?? Well, let me tell you about myself.

From the beginning, I am almost 59 years old. I have been saved, since 1978, at the age of 32. That's right, I haven't always been living the Christian life. Up until that time, most of my adult life was spent, being one of the biggest devils, on the street.

I was a hustler, pimp, womanizer, and a counterfeiter. I was part of, what was known back then, as the 'in crowd.'

My associates were hustlers, pimps, prostitutes, dope dealers, junkies, homosexuals, lesbians, con men, and other gangster types. And as a result of these associations, I learned a lot about how they go about conning people, in to getting them to do what they want them to do.

Take a prostitute, for example. In order to get a woman to go out and sell her body to someone, and give the money she gets, to a man, he has to get her to believe, that he is someone that cares deeply for her, and that he can provide her with all of the love, and emotional support that she will ever need. It is all one big 'con game.'

Usually, the woman, has to be in some kind of distress, like a run away, a stranger in town, down and out, hungry, lost, or some other situation, that makes her a prime target, for pimps.

Well, once a person knows the 'game', then they can recognize it, and other variations of it, when played out, in every facet of our society.

And it is on this note, that I am presenting you with the proof of what I am saying.

This proof, comes not from my opinion, alone, but from the one source that every Christian has, and that is the Word of God, the Bible.

For the Christian, that supports the Democratic party, it is one thing to know you have an enemy, and totally another, when you aid that enemy, in your own destruction. But that is exactly what you, my Christian brothers and sisters, are doing, because you are joining an enemy, that, hates God, and especially the Christ that died for you, and that you represent.

The bible tells us in **John 10:10 The thief cometh not, but for to steal, and to kill, and to destroy:** and in **2Cor 2:11 Lest Satan should get an advantage of us: for we are not ignorant of his devices.**

So we know that we have an enemy, and what his intentions are, and we are supposed to know all of his tricks.

Yet, too many Christians are totally blind to what the enemy is doing. And I am talking about large numbers, especially in the African American community. And that ignorance, is due to one group of people, and that is preachers.

If you want to know why we are having so many problems in this nation, it is because too many Christians are supporting a party whose entire mindset, is the very antithesis of what Christians are supposed to believe. And that means, they are joining with the Democratic party, in fighting against God. And if you choose to fight against Him, you can't win. As the title of a popular play, that has been around for years says 'Your Arms are too Short to Box With God.'

The devil, is doing to many Christians, what the pimp is doing to the woman that he wants to 'turn out.' He is using varying devices, and tricks to get unsuspecting Christians to support him in his war against God, and they don't even know it.

Well, by the time you get through with this book, you will, if you are a Christian, see just what the devil is doing to you, and how over 95% of this nation's problems, are due to what the Democrats are doing, and your response to them.

If you will take note of this scripture, **2Chr 7:14 If my people, which are called by my name (i.e. Christians), shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land,** you will see, that it is the Christian, that holds the key to what happens to this nation. But how are you going to turn from your wicked ways, if you don't know what ways are wicked???

As you go on in this book, you will know.

This book will identify, only a few major violations, that the Democrats run on, that you are supporting, along with the consequences of these actions. Then, I will give you, the actions you should be taking. Then it will be up to you, as to what you are going to do about it.

Now, throughout this presentation, I will want you to keep in mind, two scriptures. The first is, **Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

The second is, **Amos 3:3 Can two walk together, except they be agreed?**

You say you love Jesus Christ, yet you are consistently supporting His enemies. Friend that makes you, His enemy.

How??

Because, the only way you can support any candidate of the Democratic party, or any party for that matter, you have to be on the same path, with the same frame of mind, and heading for the same goal, as the rest of that party's supporters.

There is no way, you can say, for instance, 'I am a Christian, and I am against abortion, and gay marriage,' then go out and support a candidate, that supports these things, or is supported by other groups that support them, and say you are not a part of them. You are all in the same boat.

You say you are voting for this candidate, because he, or she, supports affirmative action, unions, social security or some other favorite cause you have. Well, God looks at things based on His priorities, not yours. And yours are all out of whack.

Therefore, you, through your own ignorance to what you are doing, and the consequences you are seeing, are letting the devil, lead you around by the nose, with all of his little carrots, that he holds out in front of you, to get you to follow his lead.

Only when you know the truth, can you hope to prosper, if you are willing to turn from, as God says, 'your wicked ways.'

**John 8:32 And ye shall know the truth, and the truth shall make you free.**

## THE PROBLEM

If we look at the issues that the Democrats use, to get us to vote for them, talking about, jobs, the economy, health care, education, welfare, social security, the war, crime, and other of our social ills, we will find that the Democrats always have one answer as to why we are having these problems, and it always revolves around one specific area, and that is, Republicans, or the 'Religious Right.'

No Democrat, has ever met a Republican, that they could say, was not the cause for our problems. Unless, of course, they can get that Republican, to compromise his or her values, in order to get along with them (the Democrats.)

And, because you, my Christian brothers and sisters, don't know any better, you think the Democrat's are the answer to the problem.

Big mistake.

Here's why.

All of the problems we are seeing today, in this nation, are not the fault of the Republicans, or the 'Religious Right. They are the result of something that can be described by one three lettered word. SIN.

You see, rather than treating the core of the problem, the Democrats want to treat the symptoms.

Look at it like this.

If I tell someone, that I am feeling numb on my left side, or that I am having chest pains, and feeling dizzy, most of you would probably say, that I need to get to a hospital, because it sounds like I may be suffering a stroke, or heart attack.

Under these conditions, you probably would call an ambulance, or rush me to a hospital. Right?? None of you, I would hope, would tell me that I need to lay down, and take a few aspirins for pain, or some other remedy, to ease my symptoms.

That is because the symptoms, are a sign of a much more serious problem.

Well, when it comes to the problems in this nation, the Democrats are doing just that. They want to treat the symptoms, rather than get to the core of the problem. And actually, the only one that can deal with sin, is Jesus Christ. But, to get Him to do that, the Church has to acknowledge it, the sin.

**Remember, 2Chron. 7:14 If my people, which are called by my name (Christians), shall humble themselves, and pray, and seek my face, and turn from their wicked ways (repent); then will I hear from heaven, and will forgive their sin, and will heal their land.**

But the Democrats, by blaming the Republicans and the 'Religious Right', are making a lot of Christians believe, that it is not a problem of sin, but human failures. In other words, just change the people, in control, and the problem will be solved. They claim that they, and their solutions are the answer. That's like giving someone an aspirin, that is diagnosed with cancer.

This should be a wake up call to the Christian, because, as we (Christians), all (or should all) know, Jesus, is the Answer, the only Answer.

When man, tries to solve a problem, without God's help, he is just throwing straws in the face of a storm, trying to stop it. And since the Democratic party, has no regard for what God says, then He is not going to help them.

**Jesus says, John 15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: FOR WITHOUT ME YE CAN DO NOTHING.**

Do you know what that means??

It means, that if He does not give you the mind to even see, let alone do, what is right, you are nothing more than a blind man. You won't be able to see, or do, anything.

**Mat 13:15 For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes and hear with their ears, and should understand with their heart, and should be converted, and I should heal them.**

Everything the Democrats come up with, as a solution, will fail. Have you ever wondered why, no matter what solution they come up with, it seems to look good for a season, then it crashes and burns??

God allowed it to seem to operate, so you would get your pride up, then He pulled the rug out from under it, and it collapsed, and there went your pride.

Have you ever heard the saying, 'the best laid plans of mice and men, so often go astray??'

**2Th 2:11 And for this cause God shall send them strong delusion, that they should believe a lie:**

**Psa 4:2 O ye sons of men, how long will ye turn my glory into shame? how long will ye love vanity, and seek after leasing? Selah.**

**Isa 48:11 For mine own sake, even for mine own sake, will I do it: for how should my name be polluted? and I will not give my glory unto another.**

God will not let anything succeed, that is not of His direction, and that makes Him look stupid.

That means, God will take an active part in destroying those things that the wicked, try to build up. And make no mistake about it, if you have joined in with the wicked, you will suffer the same fate. You are all in the same boat, and they, the Democrats, are busy drilling holes in the bottom of it.

That is why God says, **Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children,** and **Amos 3:3 Can two walk together, except they be agreed?**

Well, what I want you to see is this. All of the problems that we are facing today, in this nation, and especially in the black community, are the result of the putting in place, laws, that openly defy God, and His laws. And, these laws were put in place by the Democrats, and the judges that they appointed in the courts, that rule on the law.

If you will notice, if a judge is appointed by a Republican president to one of these courts, the Democrats do everything they can to block their confirmation.

Why??

Because the laws that the courts implement, which are actually a violation of the constitutional law, (talking about the separation of powers) can be overturned by other judges. And the Democrats, along with their supporters, don't want that. So what we have is a cancer (sin), in the body, and the doctor (Jesus) says it needs to be removed, but the Democrats say, **No!!!!**

And you, my Christian brothers and sisters, are saying, No, as well.

So, because you choose to defy God, and ignore **2Chron 7:14**, you are causing everyone else, to suffer. (**Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge,...**)

Now, you might ask, 'what laws am I talking about??'

I am talking about laws, concerning, Abortion (the standard of the women's groups), Gay rights, including marriage (the standard of the homosexual and lesbian community), Affirmative action (the mantra of the African American community), Separation of Church and state (the goal of atheistic, and other religions), and environmental, and animal rights legislation.

There are many more, but these are the major ones that I will address. I will give you scripture references, on what God has to say about each of them, plus what the result of the violation of each of them is causing, in the land, and how God is turning our own ignorance, against us.

**Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected**

**knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

And as I have mentioned earlier, the main problem, is that Christians, who hold the keys to the solution of these problems, are ignorant of (that means they don't know, or understand) the problem. **Amos 3:3 Can two walk together, except they be agreed?**

It is this ignorance of the Word of God, that is leading this nation to destruction, not the Republicans, or 'Religious Right.'

And the reason they (Democrats, and most Christians) don't understand, is because their leaders, the preachers, that they hold in such high esteem, are either just as ignorant, as they are, or they have sold out, to the Democrats, for power, and prestige.

It is one or the other, or both.

They choose to be popular with man, rather than to be popular with God.

The preacher/pastor, is supposed to be called to lead the lost, suffering, and misguided souls, down the paths of righteousness, to Jesus Christ.

However, when the pastor, allows these misguided souls, Democratic politicians, to get in to the pulpit of God's church, and speak to their congregations, and ask for votes, they are putting, their stamp of approval on everything these people say, and stand for.

You see, these pastors, want to be popular with these politicians, so they can get favors, and kickbacks from them, as well as be able to say they are their friends.

There are a lot of pastors, that have large churches, because politicians pulled strings, and got them the land, or financing to build their churches, based solely on what the pastor did, in supporting them.

That means these pastors, sold you out. Because, if they aren't telling you the truth about how these politicians' stance on particular issues, is affecting you, and this nation, then they are not doing what they are called to do, and that is, 'warn the people.'

And the worst part is, since the pastor is supposed to be God's representative, then, the politician, along with the members of the congregation, go away thinking that God, approves of them, and all that they stand for.

So, they go out and vote for him/her, because they think they are in line with God, when actually they are in line with, the devil.

Thousands of people are suffering, and dying, everyday, because of what these politicians, along with preachers, have put forth as being the fault of Republicans, when it is actually their fault.

As we go on in this book, you will see, just what I am talking about, and that is, what God has to say about all of this, and that, really, is all that matters. It makes no difference what you, or I think. If God said it, that settles it.

## **ABORTION**

**O**f all causes for our problems in this nation, this one, alone, is enough to bring God's wrath on us, hard, all by itself.

Why??

Because of what it represents,

Take a look at these scriptures.

**Psa 127:3 Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.**

**Isa 44:2 Thus saith the LORD that made thee, and formed thee from the womb, which will help thee; Fear not, O Jacob, my servant; and thou, Jesurun, whom I have chosen.**

**Jer 1:5 Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.**

**Isa 49:1 Listen, O isles, unto me; and hearken, ye people, from far; The LORD hath called me from the womb; from the bowels of my mother hath he made mention of my name.**

**Isa 49:5 And now, saith the LORD that formed me from the womb to be his servant, to bring Jacob again to him, .....**

Now, hold on to your hats, because once I reveal just what these scriptures are saying, and what effect abortion has on God, you will understand just what the problem is.

First, just what is an abortion??

Quite simply put, it is simply, the removal of a fetus, from the womb of a woman.

From the sound of it, it is nothing more than removing a tumor, or cancerous growth from her.

This is what the medical community, and many women's groups want you to believe, my Christian brothers and sisters.

But, you should know, or should suspect that God has another view, and the above scriptures reveal it all.

Look at the first scripture, **Psa 127:3 Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.**

The first part says, **children are an heritage of the LORD:.** What does that mean??

It means that children, are (an offspring, or way of God multiplying Himself, or His image), throughout the earth.

You see, we should all know, especially Christians, that man, is made in the image of God. The bible tells us that, **God, made man from the dust of the earth, and breathed in to him the breath of life, and man became a living soul.**

Therefore, every human being that is born is, another walking, talking, breathing, image of God.

If you think I am exaggerating about the image part, look at these scriptures.

**Ge 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion**

**Ge 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.**

**Ge 9:6 Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man.**

So, as you can see, man is the image of God, on the earth.

The second part of **Psa 127:3**, says ..... **and the fruit of the womb is his reward.**

The **fruit of the womb**, talking about children, is His reward. Now this can be looked at in two ways. One way, is that mankind rewards God, by presenting Him with the children, that He has given them. You know, like dedicating their children to God, like what happened when Samuel's mother, after praying so long for a child, when He gave her one, offered him to God, for use in the office of a prophet.

**1Sm 1:27 For this child I prayed; and the LORD hath given me my petition which I asked of him:**

**1Sm 1:28 Therefore also I have lent him to the LORD; as long as he liveth he shall be lent to the LORD. And he worshipped the LORD there.**

However, the other way of looking at it, is the way that it could be looked at, and that is, children, are His reward to us.

Think about that for a minute. God, rewarding us. For what?? A reward is something you give someone, for some deed that they have done for you.

But, here is the question. What can we possibly do for God, to get Him to reward us?? Quite frankly, absolutely nothing. So, He rewards us, whether we deserve it or not, with the chance to take a little image of Himself, and raise it up, mold it, and then, offer it back to Him, to use for His glory.

Now, if you think about it, God could, as He did with Adam and Eve, just create more and more people by Himself, without allowing man to take part in the populating the earth., but He chose to make us partners in everything that He does.

So, as you can see, bearing children, is part of God's plan.

Next, look at this verse

**Isa 44:2 Thus saith the LORD that made thee, and formed thee from the womb, .....**

From this verse specifically, and the others, we are now being told that God, forms each and every one of us, while we are in the womb, of our mothers.

This sheds a whole new light on what is taking place in the womb of every woman that is bearing a child.

It is not just some random biological happening that takes place when a woman has sex. It is a planned, design for one purpose, and that is to give the glory for what is happening, not to man, but to God.

God, you know who that is, don't you??? The One you supposedly have confessed your faith in, through the shed blood of Jesus Christ???

And, this is the God, who says, **John 15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.**

We are His divine workmanship, designed, as you will see later, for what He intends to use, for His glory.

So. what we have, is this fact, God is at work, forming that little image of Himself in the womb of the woman, and then the woman, goes and gets someone to go in to her body, and literally stop the work that God is doing.

Can you imagine that??

This is one of the instances where man, can directly stop God from doing something.

But, there is a price to pay, and that is just what we are experiencing. His displeasure with it.

You see, abortion is not about, what the woman wants to do with her own body, as much as it is, what God is trying to do, through the woman.

God, controls who gets pregnant, and when, you look at these scriptures,

**1Sm1:5 But unto Hannah he gave a worthy portion; for he loved Hannah: but the LORD had shut up her womb.**

**Ge 20:18 For the LORD had fast closed up all the wombs of the house of Abimelech, because of Sarah Abraham's wife.**

So, from these and other scriptures, you can deduce, that if God shuts the wombs(door), then no man can open it.

By the same token, if God, opens the door (womb), then, it is for a reason. His reason. And, it should be a blessing, or honor, to be allowed to have a child,

So, here is the picture, so far.

God decides to allow the woman, to have a child. And while that child is in the womb of the mother, He is busy forming it.

After all, He is the potter.

So He blesses the woman, to have a child, and she,

instead of being happy about the opportunity, like Hannah, Samuel's mother was, and Rachel, who was depressed because she could not have children, for a season, takes this blessing, and destroys it.

This is akin to, a parent, seeing their child, about to reach for a hot pot, or about to stick a fork in to an electric socket, and slaps them on the hand, and say's, 'no, no, no, you don't do that.'

The woman, is literally slapping God on the hand and telling Him, 'no, no, no, I refuse to accept this gift, because it will ruin my life.' Treating Him, like a little child.

Just what do you think, God's response to this type of action, which has been legalized by this nation, is going to be??

All you have to do, is look at what has been happening to this nation, especially our youth, with them killing each other, and themselves, at astronomical rates.

You see, if a child is aborted, then no one, really feels any need to do something to stop, or at least curtail it.

However, when children, that are with us, get killed, or kill themselves, then everyone wants to do whatever it takes, to stop it, including passing laws, that will imprison violators.

The nation mourns the plight of the children that are

with us, but not those that are in the womb.

But, let me go a little further, then I will bring everything together.

Next, we have these scriptures, **Jer 1:5 Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.**

**Isa 49:1 Listen, O isles, unto me; and hearken, ye people, from far; The LORD hath called me from the womb; from the bowels of my mother hath he made mention of my name.**

**Isa 49:5 And now, saith the LORD that formed me from the womb to be his servant, to bring Jacob again to him, .....**

Can you see something in these scriptures, that is, to most people, don't see, and only those that with the spiritual insight, do see??

If you can't, then you have a problem. If you can, then, you need to do something about it, if you aren't.

For those of you that can't see it, I will open it up, so you can see.

If you will notice in the scripture of Jerimiah, God, no less is making a statement, that says, **Before I formed thee in the belly I knew thee;**

Do you know what that means??

It means that God knows each and everyone of us, before He even puts us in the womb, meaning we are not an accident. We are not an occurrence, that is random, or that forces God to follow through with giving us a spirit, simply because of a biological function.

Then, you couple that with the rest of the scripture, which says, **and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.**

What does this mean??

Sit back and see a revelation that is astounding.

It means that, not only did God know us, before we were in the womb, but, He had a specific purpose for each and everyone of us, to perform, after we were born.

When God says He sanctified, and ordained, that means there is a calling on our lives, that has a divine purpose. And, guess what, no one knows this purpose, but God.

Let's go a little further.

The other scriptures, **Isa 49:1 Listen, O isles, unto me; and hearken, ye people, from far; The LORD hath called me from the womb; from the bowels of my mother hath he made mention of my name.**

**Isa 49:5 And now, saith the LORD that formed me from the womb to be his servant, to bring Jacob again to him, .....,** put together with the first, give us an ominous message.

We see, that they, along with other scriptures, let us know that we all have a purpose in life. There is no random, 'crap shoot' type of calling on our lives.

Now, here is the total picture.

Other than Jesus Christ, no parent, has been given, by God, protection for the purpose of making sure that Christ would be born, and knowing the purpose of that birth.

God had a specific purpose for Christ's life, so He warned Joseph, when to move out of Bethlehem, so that Jesus, wouldn't be killed.

That was divine intervention.

However, for everyone else, there is no such advantage of divine intervention, or knowledge as to what a specific child will accomplish when they grow up.

And, here lies the problem, with abortion.

Today, we are spending, untold billions of dollars, to find cures for all types of diseases, that plague this nation, and the world. Scientists are working day and night to find that one link that will spell victory over cancer, diabetes, heart disease, Alzheimer's, stroke, plus all of the other diseases that are current, and those that may come in to existence, in the future.

We are spending billions of dollars, to find a way to end world hunger, and eliminate famine. Millions of people die every year from this.

Billions more are spent, to bring world peace. Wars are killing millions of people, throughout the world every year.

In each of these instances, we have to hope, that some individual, or group of individuals, will find the correct formulas to get us, 'over the hump', so to speak, to eliminate all of these and other ills to our society.

But, here is the problem.

While we are waiting, millions, maybe tens of millions, are suffering and dying every year.

Yet, according to what the scriptures above are telling us, God has preordained, or pre selected certain individuals, to accomplish all of these goals, once they are born, and grow up.

But, unlike Christ, no one knows, which child in the womb of its mother, is called to accomplish these things.

So, here is what I am saying.

If God has called a child to accomplish a certain goal, then, no one else, will be allowed to accomplish it. God will see to it.

Man, cannot do anything, if God says 'No!!'

Now, why would God say no??

Because first, He already has ordained, or sanctified someone else to accomplish it, and that person, was aborted, by the woman.

So, He, responds by not allowing the solution to come to pass, through some other means.

So, here is what we have, with legal abortions.

We pray to God for a cure to all of these problems, and He responds by sending the answer through a new born child.

But it is aborted.

Therefore millions are suffering, and are going to suffer, because of it, until God, sends another child with the purpose of discovering the solutions.

God has revealed to me, that He has sent children hundreds of times to help solve our problems, but they were aborted before they got here.

So, in effect, we are destroying ourselves, by allowing abortions, for just about any reason a woman can come up with. And since God controls everything, we are not

going to find the solution without His blessing.

All of these problems could have been solved decades ago, and millions of lives saved, were it not for abortion.

Therefore, all of these deaths, can be, and will be laid at the feet of those that support abortion, including, Christians, especially preachers, who are leading them down this path of wickedness..

And, you sisters, that feel you should support women, that want abortion to remain legal, for any reason, other than to save the life of the mother, you are siding with God's enemy.

Does the term hypocrite mean anything to you??

Remember, **‘can two walk together, except they be agreed?? (Amos 3:3)’**

You can’t say you are for Christ, and side with His enemies.

# **GAY RIGHTS**

Next, is the issue of Gay Rights.

Now, from the offset, let me say this. I am not talking about rights, afforded to everyone, by the original framers of the constitution.

These are not in question.

What I am referring to, are a group of special laws that have been enacted, that give this group, special rights, and recognition, above others.

Through this special group of laws, that have been enacted, the gay community, and its activist supporters, have used them to attack every group, especially Christians, that speaks out against their lifestyle.

They attack the boy scouts of America (BSA), because they refuse to allow them to have leadership positions in their organization. And some judges, usually affiliated with the liberal Democrats, have ordered the BSA, to put them in these positions or be fined, millions of dollars.

Now mind you, the BSA, is an organization that adheres to Christian values.

They, the gay community, have caused many chapters to have to close down, because of fines and other costs, that have been placed on them, for not giving in to court demands.

Support from other groups, and companies, has dwindled, because of the gay community calls for boycotts, of those companies engaged in supporting an organization that is against them, and their special rights.

These laws, and court decisions, have emboldened the gay community to attack preachers, church groups, and everyone else, that claims to be a Christian, following the principles of the bible.

They even attack the bible itself.

Then, they go out, and start churches of their own, with them, as pastors, and bishops. And some church denominations have fallen in line, and supported them in their efforts.

Now, let's look at the position the church should be taking.

First, just what does the bible have to say about the gay community??

**Lev 18:22 Thou shalt not lie with mankind( have sex with a man), as with womankind(as you do with a woman): it is abomination.**

**Lev 20:13 If a man also lie with mankind (has sex with a man), as he lieth with a woman**

**(as he does with a woman), both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.**

We can see from these two, of many scriptures, that homosexuality, is, in the sight of God, an abomination.

For those of you that don't know what an abomination is, here is an explanation.

It, unlike other sins, is so offensive to God, that He will judge, and punish those engaged in it, far quicker, and with more severity, than those guilty of other sins.

It, openly defies God's plan for mankind, when He set up the family, as a man, and a woman, and to be fruitful and multiply.

So homosexuals directly attack God Himself, with their proclamation that God, made them the way they are. They had no choice in the matter.

This is a lie, when they say, they have no choice in the matter.

You see, we were all born sinners. We have, from birth, a sin nature that manifests itself, in different ways, in different people.

In some, it manifests itself in the form of fornication, and adultery.

My self, I was a womanizer. Every woman that I saw, I went after her, to see if I could 'bag' her. That was my nature. I was one of the biggest devil's, on the streets.

Still others, may have the manifestation of being a drunkard. Still others, it may be psychic abilities. Others may exhibit, murdering. And still others, homosexual tendencies.

But we have the choice to repent and turn from our wicked ways, whether we are homosexual, fornicators, adulterers, liars, murderers, drunkards, or whatever.

To say they don't have a choice in the matter, is literally, calling God a liar. Because the bible says, **'2Chr 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.'** **'Acts 3:19 Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord;'**

The word repent, means the same thing as, turn from wickedness, as indicated above, in the underlined parts of scripture. It, or one of it's derivatives appears over 100 times, in the scriptures.

**Acts 17:30 And the times of this ignorance God winked at; but now commandeth all men every where to repent:**

But, they don't want to repent. They want to stay the way they are, and want everyone to accept them as they are. And this is something the church, as a representative of Christ, must not do. For, to do so, gives them, and other people the notion that God, approves of it, which He doesn't.

So, as in the case of abortion, God, is not pleased with us, and His wrath is poured out on us, by allowing things to happen to us, like 9/11, and AIDS, and a myriad of other things, that are destroying us.

And, as mentioned earlier, it is the Democratic party, led by liberals, and supported by many churches, or should I say preachers, that have brought God's wrath on us.

And remember, if God is not pleased, then we are in trouble.

And the major reason for our trouble, is our ignorance of God's Word.

We have preachers that know God's Word, and stand on it.

But, they are constantly being attacked by this group, and its supporters, including some preachers.

There is a direct assault by the liberals, and some so-called preachers on those of us that stand up for God.

And the gay community, has started getting states, and some churches to go even further in giving them new rights.

They are now being allowed to, as they call it, marry, and to adopt children.

Then, we have the school system, promoting their lifestyle, by presenting it, as another 'lifestyle choice.'

But, wait a minute, I thought it wasn't a choice, but the way they were born??

You see, they don't even know what they are. But, I do. They are confused.

Now, I mentioned God's judgment against them.

Many will say, where is the proof??

Look at AIDS.

A disease that is quite literally wiping them out, at a rate of nearly 10 to 1, over the heterosexual community.

The gay community, makes up about 8 percent of our population, but they account for over 85 percent of all of the AIDS cases. That is why, it was called a 'gay disease.'

Before it was called AIDS, it had another name. GRID5 (gay related immune deficiency syndrome), because it was only seen in their community. And because of the name, and the stigma it put them under, they lobbied and got the Democrats, who were in power at the time, to change the name, to AIDS (auto immune deficiency syndrome).

This disease, started in their community, and through legislation, enacted, and passed by Democrats, protecting AIDS victims from having to disclose their affliction, it is now spreading in to the heterosexual community.

This disease, brought a stigma on the gay community, because they were the only ones, that had it, and their activist supporters, had to do something to combat it. So, they went to court, and sued everyone that even mentioned that they were infected.

Because of this legislation, they didn't have to tell their partners that they had the disease, and therefore, passed it on to unsuspecting victims. This included other gays, heterosexuals, and even shared drug needle users.

They didn't care who it was. It was all about protecting themselves, and their lifestyle, even if it meant infecting innocent victims, especially children.

You may recall, that when it was believed, that people could catch AIDS from the saliva of infected individuals, that some gays, when confronted by those that rejected their lifestyle, and spoke out against it, were spit on, by them, in an attempt to give them the disease. They even did it to police officers.

This is the mindset, of a group of people that openly defy, God and His church.

And once again, as the bible says, **Rom 1:28 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;** essentially meaning that they got shut out from God, and as such, their minds got so bad, that they don't even have 'common sense.' They are literally, animals, with no mind.

They are destroying themselves right before our eyes, and they can't see it.

And, those that support them, have gotten to the point where they can't see it either. And that includes, a lot of preachers, that try to blame, the 'religious right', the Republicans, the moral majority, and anyone else you can think of, for their own ignorance.

**Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

This knowledge, is the knowledge that God gives only to those that He has anointed. Most of these preachers today, are not anointed by Him, because they were not called by Him, in the first place.

They are false preachers, servants of the devil.

**2Cor 11:14 And no marvel; for Satan himself is transformed into an angel of light.  
2Cor 11:15 Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.**

You see, it takes a spiritual eye to see these things, and only if God gives it to you.

But, these preachers, with all of their degrees, and popularity, are actually the enemies of the gay community, and anyone else that listens to them, because they are setting them up, to fight against God. And, as we all know, you can't fight against Him, and win. As the title of a 'play', puts it, '**Your Arms are too Short to Box with God.**'

Yet and still, they go about their merry way, wanting us to sacrifice our way of life, for them, at our own peril.

A while ago, I mentioned their adopting children, and the impact that is having on, not only their kids, but, ours.

Because of them, many schools, are dropping family oriented activities, like Father daughter dances, because if a child has, two women as parents, then they are left out. Mothers day comes around, and a child has two men as parents, they are left out. The same thing for fathers day. So, in order as to not make their child feel bad, gay parents go to the school administration, and have them, drop these activities from their school systems.

So, the good, have to suffer, for the actions of the bad.

Many want to say, 'well , let's just let them alone, and let them live their own lives.' That is easier said than done, because, they will not settle for that. Why?? Because, for one thing, the only way they can survive, is by recruiting others, meaning straight people), in to their lifestyle.

As I mentioned earlier, they can't produce children, on their own. So, they have to either involve themselves in the process of procreation, by means using, an egg, and sperm, the way God designed it, or, adopt children.

But, then, there is another problem.

Since no one, is 'born gay', then their children, may grow up, to be straight. And really, they can't have that.

They have to further their community, and that means, conversion (period).

And the only way to do that, is by education, or force.

It is an ongoing fact that, if a man goes to prison, he may very well, get raped by other male inmates, that will turn him in to a homosexual I had a couple of associates, that say, that is what happened to them.

But, while that is an extreme situation, sex education, in our schools, indoctrinates kids, to experiment in sexual behavior, including homosexual, and lesbian sex.

And how did this subject get in to our public schools?? Democrats, and liberals, along with their supporters, including some preachers.

Let me say this.

Any type of sex education, should take place, in the church, and at home. And it should include, morality (God's direction). Anything else, is trouble, for them, and us..

But, if a preacher says anything about this, then they are set upon by the gay community, and the Democratic party.

And why is this?? The answer can be found in the section entitled, 'Separation of Church and State', another cornerstone of the Democratic party.

## **AFFIRMATIVE ACTION**

Of all of the issues that the Democrats support, that Christians should not, this one issue right here, is going to cause those that are African Americans, a lot of problems. The reason for this, is that this one law, is credited with giving the black community, an equal footing in the economic arena.

Before this law, was enacted, the black community, lacked any serious chance of gaining any foothold on the increasing gap of economic equity, with whites in this nation.

The opportunities for higher education, good jobs, and promotions were far fewer, than they are today, because of racial discrimination.

Whites, were getting all of the good education, jobs, and positions, simply because of the color of their skin. Blacks, on the other hand, got the leftovers, if there were any.

All of this changed, when this law, was enacted.

It, gave blacks an advantage, of having a law, in place, that forced schools, employers, and such, to set aside, a certain number of places, or openings, strictly for blacks.

But, there was a problem.

The problem, was, that the law, made no distinction between those whites, that, had racial bias towards blacks, and those that didn't. Neither did it make a distinction about blacks that were qualified, and those that were not.

But, later for that.

The problem is, that this law, violates the dictates of what a Christian is supposed to be representing, and that is Jesus Christ.

You see, if we are going to represent Christ, then we are going to have to do it, not in word only, but in deed as well.

The bible says, **2Cor 5:20 Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God.**

An ambassador, is one who represents his country, or its people, in another land. Everything he does, reflects on the character of his people, and those that sent him. Whatever this ambassador does, that is good, will translate in to those of the country that he is in, having a favorable impression of that land, and may, want to visit it. The opposite is true, if this ambassador, acts in a negative manner.

Therefore, if a Christian, acts, and carries on in a negative way, around others, he, or she, is casting a negative image of God, and Jesus Christ, to the ungodly. And what does this do?? It makes them, less likely, to come to Him.

Therefore, in the case of affirmative action, people, looking at Christians, supporting this law, will believe that God supports it.

Now, what's wrong with this picture??

If you are black, nothing. However, if you happen to be white, then, there is a problem. Because now, black Christians, are relaying the message, that God, is punishing them, for something, that most of them, had absolutely nothing to do with. Could they help it, if they were born white?? Could you help it, if you were born black?? Of course not. God has control over all of that.

All of us, are made in the image of God, and we are admonished, by Him, to 'love one another, as Christ, loves the Church.

But, that can't happen, if we separate ourselves along racial lines, and, support something, that serves to injure the image of Christ, to the world. Not to mention, our white Christian brothers and sisters.

Well, let's look at just how this law, that many black Christians support, violates, God's Word.

**Jas 2:1 My brethren, have not the faith of our Lord Jesus Christ, the Lord of glory, with respect of persons.**

**Jas 2:2 For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment;**

**Jas 2:3 And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place; and say to the poor, Stand thou there, or sit here under my footstool:**

**Jas 2:4 Are ye not then partial in yourselves, and are become judges of evil thoughts?**

In this key passage of scripture, we see the outline of affirmative action.

The term, 'respect of persons,' is another way of saying, to show favoritism toward certain individuals, for reasons, that, for all intents and purposes, tends to judge people, unjustly, based on qualifications, that are designed to exclude selected individuals, or groups, while, at the same time, lifting up, selected individuals or groups, without a just cause.

The bible tells us, that God, our Father, and the Lord Jesus Christ, are not respectors of persons. Meaning, they don't bless a person, based on how much money the person has, or what position the person holds, the color of the person's skin, or even their religious background.

He blesses them, based on one certain set of criteria, and that is, are they obedient to Him.

In other words, the blessings, have prerequisites, that anyone can meet, if they want to.

God, is a True, equal opportunity blesser.

That means, if His ambassadors, are going around acting contrary to Him, then there is a serious problem. And guess who is going to suffer for it?? Certainly not God.

And, that is just what is happening.

The black community, who, overwhelmingly support this law, backed by a lot of black preachers, is paying a heavy price because of it.

Yet, the Democratic party, uses the threat of having this law, done away with, as a means to keep the support of the black community in their corner. And if you will look at that support, it is above 90%, of the community.

Any time a Democrat is challenged by, or challenging a Republican in an election, and they are addressing the black community, somewhere in making their case against the Republicans, they will bring out the case of how the Republicans are close to having enough support to eliminate affirmative action. And most of the black preachers, will start firing up the crowd, especially their congregations, to go out and defeat this Republican, because they want to save, affirmative action.

Affirmative action, has become the idol, or worse yet, the 'god', of the black community. You can do a lot of things to the black community, but don't touch, affirmative action.

When the Democrats, responded to the cries of the black community, complaining about how they can't get anywhere because 'whites' get all of the good jobs, promotions, and are accepted in all of the good schools, simply because they are white, the Democrats came up with affirmative action. This even carried with it, the notion, that when it comes to getting a job, or accepted in an open spot in an institution of higher learning, based on test scores, that the tests were structured in such a way, as to eliminate the chance for blacks to get in.

So, we have affirmative action, but at what cost??

Well, despite all of the advancements that the black community claims that have taken place, for all of the time it has been in place, we should have been further along than we are.

But, the problem is, God is not pleased with what we are doing. And He is not going to let something accomplish what it was designed to do, especially when it casts a bad image on Him.

The bible says, **'Isa 54:17 No weapon that is formed against thee shall prosper; ....'**  
What does this mean??

Well, if you look at a weapon, it is designed (formed) to do one thing, and that is to injure, or kill. Certain weapons, can only, injure or kill, at close distance, and can only do

it, one at a time. Other weapons, are designed to injure or kill large numbers of people at the same time. That is what they are designed (**formed**) to do. And for the weapon to **prosper**, meant that it was able to accomplish what it was designed to do.

Well, racism, was a type of **weapon**, that whites used to keep blacks down. But, God said, it will not prosper.

Now, in the case of '**affirmative action**, it is a weapon, that was designed to keep whites down, so to speak, while lifting blacks, up. And, as God has said, '**it will not prosper**', either.

To listen to the architects of it, it still hasn't achieved all that it was supposed to. They had said that it would only be a temporary thing. Yet, here it is, more than 20 years later, and where are we?? Still lagging behind.

And, the ironic thing is this.

Other groups, are using the same law, as minorities to the black race, to get ahead of us.

Because of affirmative action, women, Latino, handicapped, the elderly, the obese, the gay community, and others, are getting the jobs, the promotions, and other benefits, that the black community thought would be theirs.

Even the black women, are getting ahead of the black men, leaving them, out of the job market, and with little hope.

Affirmative action, has actually cursed the black community, and injured others, in this nation.

Several years back, there was a case, where a white student, sued a medical school, after it accepted a black man for student, over him, because, though the black man, had a lower score than the white man, because of this law, the black was given a higher score, in points, and thereby accepted, while the white was rejected because of class size limitations.

This case was the first, challenging this new law. The white man's name was 'Bakke.' He sued on the grounds of 'reverse discrimination.'

For a long time, blacks claimed whites discriminated against them, and this law, which

they say, was 'just', was, somehow, not discrimination.

The courts, ruled against 'Bakke.'

So, we had a black man, who was not quite smart enough to pass an entrance exam in to a medical school, getting in, and, if I am not mistaken, he just barely made it through.

Anyway, several years ago, this black man's medical license was revoked, because of incompetence, in the deaths of 2 women, and the maiming of a third, because of his treatment of them.

Now, any person with any sense, would say, that the most qualified should be put in positions, where it is a critical position, where lives, and the well being of individuals or the community may suffer if mistakes are made. And putting people with inferior abilities, in these positions, just to satisfy some stupid law, is a disaster waiting to happen.

But, the black community seems not to care. But, they should. Why?? Because, they are running contrary to what God says is right.

How??

As I mentioned earlier, Christians, are brothers, and sisters in Christ, first.

That means, their allegiance, goes first, to Christ, then, their families, then, to their brothers and sisters, in Christ.

Now, if a Christian brother, or sister, happens to be, of another race, they are to be treated, just as you would treat Christ, or a member of your own family. And just like you would do whatever it takes to help your family members, so too, should you do the same thing, to help them. And just like if something was barring a family member from getting something, and you would try to get it removed, so too, should you do it, for a brother or sister in Christ.

**John 13:34 A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. John 13:35 By this shall all men know that ye are my disciples, if ye have love one to another.**

Remember, Christ says, that 'we should be as one, just as He, and the Father, are One.' And, you can't be that, if you seek to gain an advantage over another, simply because they have another skin color.

For all you know, God may have pre ordained them for that position, and you jump up, and want to have that position for yourself. That means, you are fighting against God. And you know, you aren't going to win.

The next thing, is the stigma attached with this law.

Some blacks have said, that since this law is in place, people question whether they got the job, or position, because of their qualifications, or this law.

They have said, that they have been looked at, as if, every black person, that gets a high position, because of their actual qualifications, is having to prove themselves, over and over again, as having gotten where they are, because they deserved it.

Black leaders said, 'that is unfair, for blacks to be scrutinized that way. It is demeaning.'

Yet, these same leaders, in the case of Supreme Court Justice, Clarence Thomas, seem to have employed the same scrutiny on him, and have charged, that he would not have attained that position, without 'affirmative action.'

Why is he under this scrutiny??

Because the Supreme Court, may be having to rule on the constitutionality of this law, and Thomas, along with a couple of other Justices, may rule against it.

So, the push is on, to try to do whatever it takes, to keep this law intact. And the Democrats realize, that in order to keep the support of over 90% of the black community, behind them, that they fight every Republican, that comes up.

But, as one religious leader said, nearly 2000 years ago, **Acts 5:38 And now I say unto you, Refrain from these men, and let them alone: for if this counsel or this work be of men, it will come to nought: Acts 5:39 But if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God.**

The question you have to ask yourselves, are you really wanting to fight against God, to protect a law, that offends Him??

# SEPARATION OF CHURCH AND STATE

This area, is one that concerns me, and it should be of great concern to every person, that names the name of Christ. For this area, affects all of us, whether we are Christian, or not.

The Democrats, support this agenda. And most of the laws, and activities that the government involves itself in, are such that they separate those things that are spiritual, or things that have reference to something that implies a recognition of the Christian foundation of this nation, and the operations of what man considers important, and the laws he wants to pass.

In other words, the government (man) has its set of laws, and the Church, has its set of laws, and the two, can't function together. And they see no harm in that, in fact, they think it works out better, for all of us, if the two, remain separate.

But, once again, there is a big problem. And we are going to address that problem, right now.

The issue, that the Democrats, and a few Republicans, along with many preachers, and most people that support the Democrats seem to accept, is one of the main reasons, so many things go wrong for us.

That is because, we are actively taking the stand, that we don't want God to interfere, with the way our government is run. In effect, we say to Him, 'You are not welcome, in the operation of our governmental processes. We don't need You, Your Laws, or anything You have to say. We can handle everything ourselves, so, butt out!!'

Therefore, God being the gentleman He is, says, 'Because you feel that way, I will step aside, and let you go for what you know.'

And what is the end result?? One word. Disaster.

Let's look at what God says. **Psa 127:1-2 Except the LORD build the house, they labour in vain that build it: except the LORD keep the city, the watchman waketh but in vain. It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep.**

The message here, is this.

If God does not take an active part in anything that man wants to do, like building a house, building a city, protecting himself, his family, his property, or his nation, and in the forming of his government, it will all be in vain. It will not stand. It will fall apart. If He does not help us protect, what we are trying to protect, it will be destroyed.

Sounds an awful lot like the text, **Mat 16:25-26 For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it. For what is a man**

**profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?**

This means, that, when it comes down to protecting one's life (stuff, reputation, power, popularity, and any other thing that man, through his own abilities, acquires, or seeks to acquire, not to mention, his soul), he can go it alone, or he can do it, with God's assistance. If he chooses to go it alone, he will lose it. But, if he loses his self pride, and looks to God, for help, then, He will have all things secured. even his soul.

**Isa 31:1-3 Woe to them that go down to Egypt for help; and stay on horses, and trust in chariots, because they are many; and in horsemen, because they are very strong; but they look not unto the Holy One of Israel, neither seek the LORD! Yet he also is wise, and will bring evil, and will not call back his words: but will arise against the house of the evildoers, and against the help of them that work iniquity. Now the Egyptians are men, and not God; and their horses flesh, and not spirit. When the LORD shall stretch out his hand, both he that helpeth shall fall, and he that is holpen shall fall down, and they all shall fail together.**

God is giving us a clear warning here, about trusting in something, whether it is numbers of people, or things, because of the power behind it, or the wisdom of men, a certain weapon, or a means of getting something done.

We always think we can get something accomplished, without God's help.

But, Jesus said, **John 15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for WITHOUT ME YE CAN DO NOTHING.**

Do you know what that means??

It means, Jesus is the source (vine), of everything we have. We are merely sustained by Him, because we are only, the branches. Now, what happens to the leaves on a branch, if you cut it from the tree?? They will wither up, and die. So too, will we, and everything we have, or try to achieve, if we, or it, is separated from God.

We can't wake up in the morning, without Him. We can't get up, and walk around, without Him. We can't eat, go to work, breathe, or take care of our business, without Him.

When He says, 'WE CAN DO NOTHING, WITHOUT HIM', He means, NOTHING!! (PERIOD.)

**1Cor 1:27-29 But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty; And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are: THAT NO FLESH SHOULD GLORY IN HIS PRESENCE!!!.**

We have gotten so smart, and technologically advanced, that we feel, that we are, just as good as God, or even better. But, if you can recall the story of Lucifer, in **Isa 14:12-15** **How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit.**

Many times, we will spend millions of dollars, and man hours, trying to find solutions to the problems that face us everyday, when all we need to do, is ask God, and He will provide the answer, and it may not cost a dime.

Also, a lot of these problems have come upon us, because we ignored His direction, in the first place.

Think about this.

With all of the security measures we had in place, to prevent something serious happening to us, 19 men, from little known regions of middle eastern countries, managed to elude all of them, and pull off, the biggest single terrorist attack, right here in our country, that there has ever been, on 9/11/2001.

Why??

Because we told God, **‘WE DON’T NEED YOUR HELP. WE CAN HANDLE IT, WITH OUR MILLION DOLLAR EQUIPMENT, AND OUR WELL TRAINED PERSONNEL!!!’**

So, what did He do?? He stepped aside, and said, **OK. GO FOR WHAT YOU KNOW!!’**

And the end result??

Over 3000 killed. Billions of dollars in damage. Billions of more dollars in medical bills for survivors, Not to mention the agony, pain, and mental tolls it took on all of us, especially the families of those, whose lives were lost. Billions of dollars lost, as businesses, and jobs were lost.

All of this, could have been avoided, had we listened to what God has to say, and not a party, or court system, that is bent on elevating man, and his wisdom, equal to, or above, God.

What is going to happen, the next time some lone, or group of terrorist(s), plot another attack against us, and try to carry it out?? Is it going to be the fact that we still think we can handle it ourselves, and He let’s them carry it out?? Or will we look to Him, and ask for His help, and let Him take care of it?

I hear preachers always saying, 'God, is able!!' Later for that. We know He is able. The question is, 'will He???'

And once again, for my Christian brothers and sisters, **Amos 3:3 Can two walk together, except they be agreed?** And let's not forget, **Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

You see, we have gotten so afraid that if we put God's laws in to government, then government will come in to the church, and want to direct what we do in the Church.

But, you can see, what the end result is, of the way we are doing things now, by trying to keep them separate.

Well, it is already there. Preachers have to be licensed by the government. They have to have government certification, to perform weddings, and even funerals. Churches have to pay taxes. Preachers have to pay taxes. And, they have to have government certification, to be able to claim income, as non profit.

But, they don't want God, in government. That is why the government, is going amuck, and everything is going, downhill.

So, think about all of that, the next time you, as a Christian, are asked to support the Democratic party.

# **ENVIRONMENTALISM AND ANIMAL RIGHTS**

In this last section, I am going to look at two separate groups, laws, that the Democrats support, by combining them, because they, though separate, have the same effect on us, because of the nature of their end goals.

First, let's look at some scripture. **Ge 1:26-27 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them.**

Here we see, that God, has made man, in His image, and given him control over all of His creation, on the earth. Man is superior to everything on the earth, simply because he, man, is the image of God, on the earth. No other creature, has that component, as part of their creation. And neither does any other living thing, like plants, trees, and such.

If you will read the biblical account of the creation, before man, you will see, that God, spoke them all in to existence (**Gen. 1:1-25**) .

But, when it came to man, God, took His own hands, and formed man, out of the dust of the earth, then, breathed in to man, and man, became a living soul. **Ge 2:7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.**

None of the other creation, has a soul, let alone, being formed in the image of God. Therefore, nothing is as important to God, as man.

This is the order of things.

Well, animal rights, and environmentalist groups, seek to change that. They want to make man, no better than the earth, the trees, the animals, bugs, water, and just about anything else that God has created.

Now, while man is responsible for all things on the earth, seeing that God gave man dominion over them, and entrusted them to his care, they are, after all, placed here for our pleasure, and benefit.

The problem is, that these groups, see man, as being the reason for all of the problems we are facing.

They see the inventions, that God has enabled man to build, as being the reason for global warming, the extinction, or near extinction, of different species of animals, and just about any other situation, that affects the creation, negatively.

So, they push for legislation, that will punish man, so that the rest of creation, can survive. this is putting everything else, ahead of man.

Did you know, that by getting legislation passed, to support what these groups think, is a violation of the first amendment of the constitution??

How, you say??

Here is how. The first amendment reads, **Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.**

Now, which of these, do you think the Democrats, have violated, by passing laws, supporting the views of these groups??

Believe it or not, it is the part about religion. Yes, that's right, religion.

To clarify what I am talking about, we need to know the definition of, 'religion.'

Religion, is defined as, Main Entry: **re·li·gion** (from merriam-webster online dictionary)

Pronunciation: **ri-'li-j&n**

Function: noun

Etymology: Middle English religioun, from Latin religion-, religio supernatural constraint, sanction, religious practice, perhaps from religare to restrain, tie back -- more at RELY

**1 a** : the state of a religious <a nun in her 20th year of religion> **b** (1) : the service and worship of God or the supernatural (2) : commitment or devotion to religious faith or observance

**2** : **a personal set or institutionalized system of religious attitudes, beliefs, and practices**

**3** **archaic** : scrupulous conformity : CONSCIENTIOUSNESS

**4** : **a cause, principle, or system of beliefs held to with ardor and faith**

- re-li-gion-less adjective

Then we have this definition, that dates back to 1913, that goes in to a deeper observance of religion.

From Webster's Revised Unabridged Dictionary (1913) (web1913)

WE FIND THIS STATEMENT,,,,,,**Religion [was] not, as too often now, used as equivalent for godliness; but . . . it expressed the outer form and embodiment which the inward spirit of a true or a false devotion assumed.**

So, what does all of this stuff mean??

Look at examples **2,3, and 4, above**, and you will see that 'religion', does not have to mean, any observance to God, or another supernatural entity. It can mean any set of rules, or lifestyle, that a person, or group of people, set for themselves to follow, with total dedication to those beliefs. It could be a cause, or a principle, that they conscientiously

pattern their lives after.

The deeper meaning, was explained back in 1913. so this is nothing new.

Now, given that definition of 'religion', then that means, the beliefs of animal rights groups, and environmentalist groups, fall under the definition of a 'religion', and since the Democrats have enacted these beliefs, in to law, then, they have violated the first amendment of the constitution.

What this also means, is that, using the term, 'separation of church and state' is a way to, suppress Christianity, while giving support to other people's beliefs (religions).

One dictionary, (the Cambridge Dictionary) described racism, as a 'religion'. It also said, that to a lot of people, 'football', is a religion.

Can you imagine what would happen if congress made a law, that supported everyone's beliefs?? This nation would go to pieces. Because some people's beliefs, would be injurious to others.

And that, is what is happening today, in this nation, because of legislation, supporting these groups' beliefs.

For example.

Back in the early 70's, before all of the flap about the environment, started up, the industrial capacity of the automobile industry, was booming. The big 3, were running at incredible capacity. They employed several hundred thousand employees (combined), putting out cars and trucks, that, new, cost about \$3900.00, or a little higher.

Gas prices, were about \$0.35 per gallon.

Then, with Jimmy Carter as president, and the Democrats controlling both houses, and these groups, looking to gain some power, and promising to support the Democrats, laws were put in to place, supporting the agenda of environmentalist groups, that were saying, that the gasoline automobile engine, was causing the environment, to become dirty, which, in turn, was causing a lot of health problems.

They were forecasting, that by the year 2000, if nothing was done to 'clean up the air', we might be on the verge of extinction. They used the smog, in California, as an example of what could happen to the rest of the nation, if, things remained as they were.

So, what happened, congress, mandated that all new cars be equipped with, controls, that would lower the emissions that they put out.

Then, we had to get the cars tested at special stations, every year, when we wanted to get our license plates. If the car didn't pass, we could not get our plates. And, we would have to spend, possibly several hundred dollars to get the car fixed, so it could pass.

The older cars, got a pass on this, but, the idea was to phase them out, after so long.

What all of this did, was jack the price of new cars, up, about 75%, or higher. At the same time, these environmentalists, called for cleaner gas. That meant refiners, had to add special controls, and chemicals to the gas, to produce, cleaner gas. That pushed the price of gas, up, to nearly \$0.90 per gallon.

With all of this happening, sales of new cars, dropped dramatically, as the consumers, went in to 'sticker shock.' They started buying used cars, that did not have all of these emissions controls on them.

That produced, massive layoffs in the auto industry.

Then we have the animal rights people, and their 'religion' of protecting, animals. They call it 'animal rights, here, but in India, it is a 'religion.'

And here, it has done the same thing to industry, and jobs, that the environmentalist 'religion' has done.

## SUMMARY

Now that we have taken a look at a few of the groups that support the Democratic party, and why, you can begin to see something. And that is, these groups support the Democratic party, because they are all in the same boat. And that is, they want to abolish the moral standards that this nation was founded on.

When I talk about moral standards, I am referring to the standards that God has set forth, in His word, the bible.

As I have revealed in this brief exposé, you read what God has to say, and what the groups, want.

Here are a few other things, that these groups want, and the Democrats are delivering on.

**The destruction of the family, and its values.** We now have sex education in the public schools, over the objections of the parents. The giving out of birth control, and access to abortions, without parental permission, or notification.

Prosecuting parents, for spanking their children.

Look at the Democratic party, and what they promise these groups. And you will see that it is onboard with everything, these groups want. And, if you support this party, then you are onboard with them, as well.

There is no question about it. Birds of a feather, flock, and fly, together. **Amos 3:3 Can two walk together, except they be agreed??**

Think about it like this.

If you were to take a poll, of every ungodly group in this nation, and ask them who they support, 9 times out of 10, their answer would be, if not for some third party, the Democratic party candidates.

Why?

Because they all have the same agenda.

And even though you say, you don't agree with these groups' agenda, but, you support the candidate they do, because you agree with his, or her position on solutions to the social problems we are facing, then you are shooting yourself in the foot, so to speak. Because you are trying to put a bandage, on the symptoms of a problem, without addressing the problem.

You may say, their agenda, is not important to you, but jobs, health care, social security, and such, are. Then, what you are saying, is 'these things are more important to you, than what God says.'

**Mat 6:25** Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

**Mat 6:26** Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

**Mat 6:27** Which of you by taking thought can add one cubit unto his stature?

**Mat 6:28** And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:

**Mat 6:29** And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.

**Mat 6:30** Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?

**Mat 6:31** Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

**Mat 6:32** (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

**Mat 6:33** But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

**Mat 6:34** Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Essentially, what the scripture is saying, is that you are worrying about things, unnecessarily. For, it is God, that will provide what you need, in the first place, and not man. When you look to man, you are looking to a flawed individual, that is limited in what he is able to accomplish. That limitation, may be in himself, others, or God.

By looking to him, you are also putting more faith in his word, than God's.

And man, knowing that if he promises you something, he will have your support, in getting what he wants.

So, you have to pay something, to get something.

But, look at verse 33. God makes a promise, that He is well able to deliver on, and that is worth more than all of the things man, promises. Because, only God, can deliver on all of His.

However, it does come with a prerequisite. And that is, you have to seek God, first. Then, everything that you need, will be added to you.

So then, if you run after man, and his promises, you have just relegated God, to second place in your life, behind this politician. And God will have none of that.

You say you love the Lord, and trust in Him.. But, when it comes down to your problems, you seek man first, then, God.

**Mark 7:6-9** He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me. Howbeit in vain do they worship me, teaching for doctrines the commandments of men. For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition.

Jesus is saying, that you are being hypocritical, and fooling yourself.

You look at what God says, and you don't like it, because in your eyes, it seems foolish. so you discard it. Then you go out and follow the rules that men have set up.

And, all of these laws, that these groups want enacted, that you are supporting, is for one thing, and one thing only, and that is, 'what is pleasing to their flesh. Or, what makes them happy. And that is the main trick, the devil uses, to get us to follow him.

And these fall in to 3, categories, and they are, **1Jn 2:16-17** For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.

Everything that man, needs, and desires, is wrapped up, in one of these (underlined). And, all the devil has to do, is hold them out in front of you, and just like the horse, going after the carrot, that the driver, is holding in front of it, so too, will man, run after it.

This is the same thing that happened to Adam and Eve, in the garden of Eden. And they fell for it. Then the devil, tried the same thing on Jesus, and Jesus, rebuked Him, with scripture, quoting what God the Father, says. Now, he is trying it on us. And many of us, who know the story, are falling for it.

So, why are we falling for it??

God says, **Hos 4:6** My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

And the reason they are without this knowledge, can be summed up in one word, Preachers!

**The bible says, Rom 10:14-15** How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

Most of these Democratic politicians, were either raised in the church, or, still, go to church, or visit one, during their campaigns.

If the preacher, allows them to get in to the pulpit, and ask their congregations for their votes, then the congregation thinks, that since the pastor allows this politician to ask them for their votes, then God must support what this politician is standing up for.

Not only that. But the politician, himself, leaves the church, thinking he has God's blessing on these issues, because the pastor, allowed him in the pulpit, and never said anything to correct him, about his agenda.

And this is why, the Democrats, these preachers, and many of you, attack preachers, and Christians, that stand strictly on the bible standards, by calling us, 'the Religious Right.'

Have you ever noticed the word 'right', in that title??

It is a fitting word, because we, that stand on the word of God, whenever it comes to any situation, have been proven, to always be, 'right.'

That makes people, even angrier.

We warn them about something, and they refuse to believe it. Then some time later, the warning proves to have been real, and now they are in a mess, and can't figure out, how to get out of it. They run to the politician, and he comes up with a solution, that seems to work, for awhile, then it falls apart, and the people are in an even worse situation.

Then, further down the road, they hear us, talking about how, if they had listened to us, in the first place, they wouldn't have gotten in the fix, that they are in, then they want to attack us (the religious right).

This type of situation, reminds me of the story about the apostle Paul, and what happened when he tried to warn the captain of a ship, not to set sail, because an angel from the Lord had told him, that the ship, and all of its crew, would be lost. Paul was a prisoner, and he was to be, on that ship.

The captain, rather than listen to Paul, as, 'religious right fanatic', chose to listen to the owner of the ship.

They set sail, and the ship ran in to a storm, and was destroyed. The men, however, listened to Paul, during the storm, and their lives were spared.

Think about this. What if the captain, had listened to Paul, and not set sail??

The story, is found in (**Acts 27:10-end**).

Some people are just too proud to admit when they are wrong. Especially those preachers.

The more we speak, and circumstances prove us to be right, the angrier people get. Once again, especially, those preachers. If they are called to be in that position, in the first

place. Just because a person has a degree, or is appointed by others, to be in the position they are, does not mean, they are anointed by God, to be there.

And, if they are not anointed by Him, then He will not speak to, or through them. And that means, they will not be able to see the trouble that is ahead, if they continue down the paths, they are taking. They are a train wreck, waiting to happen.

This reminds me of the story of a man named Balaam, in the old testament book of **Num. 22:21-33**.

This man, was told, by God, to do something, a certain way, and he decided to do it, another way.

Well, the man, was riding on an ass, and when they started to go down a certain road, the ass, saw an angel in the way, with a sword in His hand. So the ass, turned aside.

Balaam, didn't see the angel, so, he turned the ass, back on the path. But, this time the ass, turned another way.

Then, he tried again, and the ass, ran in to a wall, and injured Balaam.

Balaam, got so mad, that he beat the ass. Then, the ass started talking with him. Now to show you how messed up Balaam was, he didn't even realize that he was having a conversation with a jackass.

But, then God, opened the eyes of Balaam, and he saw the angel. And the angel told him, that if he had come any closer, he would have killed him.

In essence, this is what the 'religious right' are trying to do, by warning you of the danger that is ahead. And what is your response?? You want to persecute us.

**1Jn 2:18-20 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time. They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made manifest that they were not all of us. But ye have an unction from the Holy One, and ye know all things.**

Notice the term, '**know all things**.'

That is why I said, we are always right. Because when a person is following God, like He says we should, He reveals to us, the end result of any situation, so that we can warn the people, not to go that way, but to go this way.

Those that are out there on their own, can't see any problem, with their solutions, until it is too late.

We can stand up and say something, and to those that are worldly minded, it sounds like utter foolishness. It doesn't make any sense. It doesn't compute.

We need to be aware of how the enemy, the devil, is working in government. Especially in the Democratic party. See, there I go, saying something 'foolish' again.

**Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (government).**

And, in this nation, government, is as high as you can get. Why?? Because it is government, that makes the laws of the land. And, it is those laws, that are being judged by God, as either being worthy of being a blessing to this nation, or a curse.

And since, we put the politicians in office, then the laws they make, are representative of our desires, and a message to God, how we feel about Him, and His Word.

And, right now we are suffering, because, even though we have a Republican president, and the house and senate, are led by Republicans, just about every law, that we have to operate under, is one that was put in to place, when the Democrats, had control of everything.

Have you noticed, how, if it appears that the president is about to do something, about getting rid of some of these laws, how big a fight, the Democrats wage, to stop him??

They, the Democrats, even appointed judges, to uphold these laws, just in case someone tries to have these laws declared, unconstitutional.

You can even look at the fight, about Republican presidents, appointing judges to the federal courts, and especially the Supreme Court. The Democrats really draw out the 'big guns', to try to defeat them.

And, if they, the Democrats, feel that they don't have enough support to defeat the nominee in a full vote, they filibuster. That means, that they hold up approving the nominee, in sub-committee, by simply talking about other matters, and won't let anyone from the other side, make a motion, to vote on the nominee. As long as they keep talking, they can't be interrupted. And they can talk as long as they have the breath to do so. They, have to yield the floor, to another person, before they sit down. And they refuse to do that.

That is a filibuster.

George Bush, has been trying to fill vacancies on federal courts, where judges, have either retired or died, and he can't fill them, because the Democrats don't want a 'puppet' as they call them, of Bush's on a court where a liberal judge, that was a 'puppet' of the Democrats, has left a vacancy.

It is these judges, that the Democrats have in place, that are making decisions, that are tearing this nation apart, because they rip at the moral foundation of this nation.

Think about this. Even though the constitution mentions a 'Creator', judges have ruled

that the pledge of allegiance, mentioning, 'one nation, under God', is unconstitutional. And you, Christian, are part of this mess, because you support the party, that promotes it.

The Democrats are doing all of this, to protect, abortion rights groups, gay groups, 'affirmative action', environmentalist, and animal right groups, and groups that want to keep, God, out of government.

Anyway, you can see the problem we have with the Democrats, and their allegiance to these groups. And these groups, are only the tip of the iceberg. There are many more, some of which, are not even in this country. But, I won't go in to that.

Simply put, though, the Democrats have, an allegiance with several of this nation's enemies, by trying to put in place, laws, that protect people in this nation, that are plotting to attack us, or do us harm.

Now here is where our problems really come in.

As I mentioned earlier, the people we put in office, represent us, and our values. That means, any laws they pass, we approve of. Then, that means, if they make laws, that violate what God says, then they, and we, are, in effect fighting against Him.

Now, it is the Church, that holds the key, to the problems that we are facing. That is, the problems, that are not deemed, 'fixed', as part of His, 'end time' plan. those, He gives us the ability (strength), to endure.

As Christians, we should be aware of the times we are living in, and be prepared for what is happening, and what is coming. This is the faith, in the Word of God, that we all should have.

And, as such, if God has a problem with what the Democrats are doing, then, we should have a problem with them, as well.

God warns us about several things that will be taking place, during these times. Look at these predictions.

**1Tim 4:1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;**

**1Tim 4:2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;**

**1Tim 4:3 Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.**

Notice. He is talking about some departing from the faith, in Christ. Leaving their Christian teachings. And that is evidenced by a lot of Christians, putting their faith in the Democratic party, and their devilish alliances.

Then, they go around lying about what the real problem is, and how to solve it. They have

become, carnally minded, (**Rom 8:6 For to be carnally minded is death; but to be spiritually minded is life and peace**), and therefore, can't, or don't want to see, the Truth, as mentioned in this passage of scripture.

**2Tim 3:1 This know also, that in the last days perilous times shall come.**

**2Tim 3:2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,**

**2Tim 3:3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,**

**2Tim 3:4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;**

**2Tim 3:5 Having a form of godliness, but denying the power thereof: from such turn away.**

**2Tim 3:6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts,**

**2Tim 3:7 Ever learning, and never able to come to the knowledge of the truth.**

We are being given, examples, of what the carnally minded Christians, will be acting like. And we are told, to turn away from them.

That means, quit associating with them, and supporting them, in the things they want to achieve. That means, if they don't want to hear, what God has to say, then, cut ties with them, even if they are family.

Staying around them, and supporting them, leads them to believe, that God, approves of what they are doing.

## **DANGER**

Now, what are the danger of this support??

Well, we are going to look at 3 passages of scripture, and see.

**Prv 14:12,16:25 There is a way which seemeth right unto a man, but the end thereof are the ways of death.**

And, as mentioned earlier,

**Rom 8:6 For to be carnally minded is death; but to be spiritually minded is life and peace.**

From these scriptures, we can deduce something, the ways of a person, that does not know the ways of God, will lead, him, or her to destruction.

A carnally minded Christian, is a person, that, follows the ways of the ungodly, or those that don't know God.

The spiritually minded person, on the other hand, will experience the best that God, has to offer.

If you are a Christian, and you act, and think like the world, or the ungodly, then you are carnally minded.

Here is a simple test, that will let you know, whether you are carnally minded, or not. If what you have read, in this presentation, has made you angry, at me, then, you are carnally minded.

If you are saying to yourself, 'I don't care what he says, I am going to keep supporting the Democratic party, because of these issues, talking about jobs, social security, affirmative action, abortion right, and all of the other things that they support, then, you are carnally minded.

God, has a warning for you. Especially to you, and the ungodly. And that is this.

**Prv 1:24 Because I have called, and ye refused; I have stretched out my hand, and no man regarded;**

**Prv 1:25 But ye have set at nought all my counsel, and would none of my reproof:**

**Prv 1:26 I also will laugh at your calamity; I will mock when your fear cometh;**

**Prv 1:27 When your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you.**

**Prv 1:28 Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me:**

**Prv 1:29 For that they hated knowledge, and did not choose the fear of the LORD:**

**Prv 1:30 They would none of my counsel: they despised all my reproof.**

**Prv 1:31 Therefore shall they eat of the fruit of their own way, and be filled with their own devices.**

**Prv 1:32 For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.**

**Prv 1:33 But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil.**

Now, to give you some evidence of God's displeasure with the African American community, for example, consider this.

Have you ever wondered, why, our community always seems to suffer, the worst, when it comes to different diseases, whether it is cancer, diabetes, high blood pressure, stroke, pneumonia, or the like?? Or how about the highest rates, when it comes to being the victims of serious crime, in our own community, talking about black on black crime, infant mortality, poverty, suicide, lack of education, and such??

In all of these areas, we not only suffer more, we die, while others, in other communities, pull through.

Why is this??

I believe, God, has shown me the answer, and it definitely is not racism.

All of the other communities, talking about white, Hispanic, Polish, Jewish, and the like, in this country, have a split, in their support of the Democratic party, of about, 50-50. And, depending on issues, they will shift their vote, and vote Republican. Meaning, a person may vote Democrat, one time, and Republican, another.

They, in other words, are not die hard supporters of the Democratic party.

But, when it comes down to the black community, there is a big difference. The black community, has over 90% of it registered voting power, strictly behind the Democratic party, and rather than switching support of a party, because of issues, they simply, will not vote at all, even if the one presenting the best vision, is a Republican.

Well, what does this do??

That tells God, that you would rather die, or suffer, than to vote for Republicans, no matter how much better the Republican's agenda is.

Now, when it comes down to what I have just been talking about in the previous chapters of this book, I have shown you where the Democrats' agenda is, in relation to what God has to say. It is the exact opposite to what God says is right.

Now, the Republican party, though it is not perfect, is a whole lot closer, to following the line, of what God does say is right. So, the Christian, should be following, or supporting them.

So, when the black community, says it would rather suffer, and die, than to switch support for the Democrats, they are saying this to God, and He is simply letting them have what they want, and that is suffer, and die.

You see, God, as mentioned in the above passage of scripture, in Proverbs, says, He has extended His Hand, out to you, and sent people to you, such as those that you call, 'the religious right', and you refuse to hear them, then you are refusing God's help, and you will, pay a steep price, as the scripture says.

Snubbing God's messengers, is the same as snubbing God.

This goes back, to the fact that, like in Timothy, when people, are so self absorbed, in the things they want, that they, refuse to accept anything, other than what they want.

Just like in the old testament, when the children of Israel, were delivered from Egypt, and were in the wilderness, they felt they were free to do, whatever they felt like doing. They got so absorbed, in what they wanted to do, that when Moses, the same Moses, that God used, to set them free, came to them, with the commandments of God, they would have none of it. They didn't want any laws.

Well, the bible says, that God's wrath, was kindled against them. He made the statement, that they had not rejected Moses, they had rejected Him. And the same thing holds true, today.

Rejecting, God's counsel, today, is just like that.

When it talks about having a conscience, seared with a hot iron, that means, they are steadfast, totally fixed, in their minds, and they can't be persuaded to change.

They are so, hard hearted, that after a time, God says, 'let them alone, let them go down to destruction.' He has simply turned them over to a reprobate mind.

But, the key to God's blessing, is for us to have an open mind, to hear the truth, then repent. And many of us, don't want to do that.

So, the black community, is the example of what can happen to a person, or a group, that refuses to do, the right thing, especially when they have been shown the truth.

## **WHAT TO DO**

In closing, let me refer you to a story about how 1 man, cause a major problem for his community, simply by disobeying a command from God.

The story, is found in the book of Joshua, starting in Chapter 7, and verse 1. Actually, it begins in the previous chapter, when God, gave the command.

Any way, the children of Israel, had just come off of a victory, against an army, that was much larger, than theirs. This, of course, was with God's help.

Anyway, when they confronted the next army, they found that it was smaller, than their army. So, they decided, that they didn't need to send the entire army, out against this one. Therefore, they sent out a smaller group of men.

Well, this army, killed 32 of the men of Israel, and sent the rest, running for their lives.

Joshua, seeing this, fell on his knees, and cried to God, asking, why did this happen. Here is God's response.

**Josh 7:10 And the LORD said unto Joshua, Get thee up; wherefore liest thou thus upon thy face?**

**Josh 7:11 Israel hath sinned, and they have also transgressed my covenant which I commanded them: for they have even taken of the accursed thing, and have also stolen, and dissembled also, and they have put it even among their own stuff.**

Now, what happened to cause this turn around?? What did Israel do??

Essentially, they did, absolutely nothing. But, if that is the case, why did God say, '**Israel hath sinned,'?**

It turns out, that one (1) man, disobeyed, what God said, and that was the cause of Israel's defeat.

Now, just look at the situation.

This man, took some things as a spoil, from their previous victory, over Jericho, after God had told them, to take nothing.

This man, Achan, did it, without anyone knowing about it.

However, God, blamed the entire camp. An as a result of his displeasure with Achan, He allowed the army of Ai, to kill 32 men, and chased the rest, back in to their camp.

After Joshua, found out who the man was, and had him, his entire family killed, and all that he owned, destroyed, then God, gave them the victory, over this same army, later. Now, my point is this.

Here is one person, doing something in secret, against God's commandment, and 32 people lost their lives, and the army of Israel, God's anointed people, were humiliated in a battle with a smaller army.

Now, contrast that, with this nation, which openly defies God, everyday, all day long, and everyone knows about it, and some people, especially Christians, don't say a peep, about it, and in too many instances, they support it.

And then, when something bad happens to this nation, like 9/11, and hurricane Katrina, and such, because of millions of flagrant violations of God's commands that occur every day, and someone from the 'religious right' stands up, and says we need to change our ways, no one wants to believe it.

Why is this??

Preachers!!

The men, that should have the knowledge, and wisdom, to know what God says, and what will happen, when the people go against it, are saying nothing, and in many cases leading their congregations, in supporting it.

America, needs to get rid of its sinful ways. And that means, that the church, needs to get rid of its sinful ways, first.

It makes no sense, for the church to tell the ungodly, to stop doing what they are doing, when you have just as big a problem in the church. And it should start with the preacher. He should be setting the example.

The church, actually holds the key, for this nation to get blessed. **2Chr 7:14 If my people, which are called by my name(Christians), shall humble themselves, and pray, and seek my face, and turn from their wicked ways(repent); then will I hear from heaven, and will forgive their sin, and will heal(bless) their land.**

Here, God has given us the solution, of what to do. Why not follow it? We have tried everything else.

If America is to be blessed by God, then it must repent, and turn away from the wickedness that pervades this land.

But, those groups, that support the Democratic party, have their own ideas. They want to keep doing what they are doing, and make their own blessings. And the Democrats, are doing their best, to see to it, that they can continue to do just that.

The Democrats, have judges on the benches of the federal courts in this nation, to thwart any effort, to, turn back the laws, made by them, that will put an end to, or curtail the activities, of the godless minority, and bring America back in to the good graces of God.

We Christians, need to repent to God, for our wickedness, as I mentioned earlier. If you are going against what God says, it is wickedness.

Next, we need to study the bible, and get under good bible teaching, from anointed men of God, so that we can find out, just what is right, and wrong, about what the Democrats are doing.

Next, we need to turn away from this party, totally. Why?? Because as long as they seek the support of those that have an agenda, that runs opposite to our beliefs, we should, as Joshua did to Achan, and his family, and all that he had, get rid of them, totally. Meaning, that if we stop supporting them, especially the black community, the party, will collapse. Blacks suffer so much, not only because of the total support of this party, but, because without it, the party would collapse.

Next, you need to get around, and hang out with other Christians, that have the same mindset, you do. If you cut a relationship with ungodly values, but still hang around them, then you are setting yourself up, to be drawn right back in to the mess, again.

That means, if your church, still wants to support the Democratic party, then, you should leave. Even if you helped build it. I don't care who the pastor is, He may be the most popular, well spoken of, and dynamic orator there is. But, he is leading you your family, and his entire congregation, to destruction, with attachment to this party.

Finally, you need to pray for all of them. None of us, should want to see anyone suffer, so we should be about helping them, to see the error of their ways. Our prayers to God, should be, that He will give them more opportunity, to see the error of their ways. We especially need to pray for the pastors. Pray that God, will give His grace to all of them, especially those that are being persecuted, for standing up, for the Word of God.

Some of these pastors, started out, on fire for God, and then lost their way, when persecution, came along. Or the possibility of fame, and fortune was presented, if they would only tone down their preaching about sin. The traps are numerous, and it takes a lot of strength, to keep going, when the odds, seem to be against them.

This is no time, to be playing patty cake, with your future, or this nation's. Because the devil isn't playing games. He is deadly serious. He is out to steal, kill, and destroy, everything he can. And he will use anybody, and anything, he can. Even Christians.

**1Pet 5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:**

The Christian, is admonished to be in an ever ready, and vigilant state of mind, looking for any appearance of our adversary, the devil, that is seeking to destroy us. It is only those, that have let their guard down, or gotten 'drunk' on the pleasures of this world, that will fall, to his schemes. Those that are walking the paths of righteousness, need to be doubly aware, because, you present the biggest threat to him, which makes you, his number one target.

This is one of the reasons, the Democrats, are attacking the church, so much.

And, if you are a politician, in this party, then, you need to switch party's. It makes no sense for you, if you are a Christian, to be a part of a party, that stands for everything that is against the God you serve.

They will not allow you to disagree with their agenda, and still help you do things that will satisfy your constituents. You will have to compromise with them, to get anything done, so you can get re-elected.

If you switch party's, and you explain to your constituents, why you did it, God, will reward you. And you may probably win another term, or get in to a higher position.

The bottom line is, I would rather be right with God, than to have all of the money, power, and prestige, that the world, can offer.

How about you??

Remember these scriptures.

**Psa 84:10 For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness.**

**Mat 16:26 For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?**

**Heb 11:24 By faith Moses, when he was come to years, refused to be called the son of Pharaoh's daughter;**

**Heb 11:25 Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season;**

There is a lot for Christians to think about, and not much time to do it.

Well, this brings an end to this presentation. I hope it has been enlightening to you, and that you will start taking action, to combat, what the devil is doing in our government.
