EVANG. G. E. McTYRE B.A., B.H.G.

For the WORD OF GOD, is quick and powerful, and sharper than any twoedged sword; piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intents of the heart. Heb. 4:12

Greetings to everyone in the Name of Our Lord and Savior Jesus Christ!!

As we enter this new decade, I am seeing a monumental challenge facing this nation. And that is, whether this nation can survive the onslaught of those that are led by the Antichrist, to destroy its very foundation of being a nation where God and His statutes are the cornerstone of what makes this nation the greatest in history.

At the core of this onslaught, as I mentioned, is the Antichrist. For those that don't know about him, he is a spiritual entity, whose sole purpose is to destroy Christ, and His followers. And since America is founded on the principles that Jesus Christ laid out for all mankind, then America must be torn down.

His means of carrying out this process, were first, to use outside forces to do it. However, those nations that attacked us, only awakened a bond between all of us to join forces and make those nations pay a price that made them terrified of doing it again.

Then he sent terrorists against us, but, they too, ended up paying a price that was too punitive for them to withstand.

Now, he as resorted to a plan that seems to be a lot better than sending enemies from outside our borders to accomplish his goal, he is using those that are within our borders to do it.

Over the past nearly 60 years, he has been indoctrinating us to accept what appear to be lies, as truth, and vice versa.

Being a nation that prides itself on education, he began by indoctrinating the most gullible among us, those whose minds were fertile ground to accepting his plan, our children. He started by removing the basic foundation of our strength, recognition of God. This included removing prayer, the ten commandments, and even bible reading.

He then went on to insert in to their curriculum, scientific evidence that was designed to cast doubt in to the validity of our faith in Jesus Christ. Going along with this, seeing that most of us plop our children down in front of the TV, to keep them out of our hair when we come home too tired to spend time with them, he inserts programming that supports his school agenda. The result is, if parents don't know what is happening because they are busy relaxing or doing other things, then the children accept what they see and hear because no one challenges it.

**All of this started back in the late 50's, and where are a lot of those kids today??**

They are parents, and grandparents. They are politicians. They are judges. They are leaders in our communities. They are even family, friends and neighbors.

**But, as bad as that is, what's worse is many of them are preachers. Preachers who, even though they have all of the necessary titles and degrees, as well as the accolades that man can bestow on them, still have the indoctrination of what they were taught in school, and on TV, alive**

**and well in their hearts.** The result is you now have a man or woman of God, mixing that foolishness, with the Word of God, which then renders that Word, ineffective, which results in the people not seeing any reason to continue serving what appears to be just another man-made religion to control them.

The Word of God, is not another man-made attempt to control us, it is the Power of God that is meant to bring us back in to a place where we can have all of God's best. That includes Salvation, and an eternity with Him in Heaven when we leave here. But it also is a living force that can bring about our healing from all sicknesses and diseases, tear down the bonds and shackles of sin, and can even raise the dead.

However, all of that has faded from view because of preachers who have lost their way, if they ever had one because they are more in tune with what the Antichrist has planted in their hearts and minds.

**The bible tells us, no one can serve to masters. You can try, but, it won't work. And in this case, doing so, means you will be shutting the door on Christ, which will leave you wide open to His enemies.**

This is why this nation is on the verge of collapse. We have politicians who want to tear down what God is building, with the full cooperation of preachers, most of whom happen to be black, because of what the Antichrist has planted in their hearts and minds.

**How are these preachers cooperating???** By allowing those with these Devilish views such as abortion, gay rights [special rights, not civil], affirmative action, separation of Church/God/Christ and state, and everything else that Christ says is right and wrong, come in to their churches, get in to the pulpit, which symbolically is Holy Ground, and ask for their, and their follower's support!!

**This is blasphemy!! Any preacher that allows this to happen, is literally Antichrist, in the eyes of God.**

**Remember this old saying, 'For evil to flourish, the good must do nothing!!'**

**If the Church sits back and does nothing, then America will fall. We have an election coming up at the end of this year, that could radically change the path this nation is on. One party is hell bent on gaining control in the White House and the Senate, so that they can put their plans in to action. These are the plans that they thought they would implement after the 2016 elections. But God stepped in and they failed.**

Ever since the results of that election were clear, they have been doing every thing under the sun to get rid of this president, because he was not supposed to win. They had it in the bag!!! Hillary was supposed to win. After all, look what they did to Bernie Sanders!! He is one of them!! Look at how they supplied Hillary with the questions that would be asked before the debates.

Hillary even challenged Trump by asking him if he would accept the results of that election. When he said he would have to see the results first, she and the Democrats got on TV and said no one has ever not accepted the 'will of the people!!' Funny thing is, since she lost, The Democrats are trying to overturn, and nullify those results!!

**Just in case you are wondering, this election is not about Donald Trump, which is what most of this nation is focusing on. It is about Righteousness over unrighteousness, or Good over evil.**

**When any person, or group, has to rely on lies, false accusation, innuendo, intimidation, and such, to get something, that should be a clear example as to whose side they are on!! It couldn't be any clearer!!**

**WHICH ONE ARE YOU GOING TO CHOOSE!! AMERICA'S FATE IS IN YOUR HANDS!!!**

Sincerely,

**Evang. G. E. McTyre BA, BHG**
