

Word of God Ministry

EVANG. G. E. McTYRE B.A., B.H.G.

For the WORD OF GOD, is quick and powerful, and sharper than any
twoedged sword; piercing even to the dividing asunder of soul
and spirit, and of the joints and marrow, and is a discerner of
the thoughts and intents of the heart. Heb. 4:12

SCRIPTURE – Matthew 7:3-5

APRIL, 2022

And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye?
Or how wilt thou say to thy brother, Let me pull out the mote out of thine eye; and, behold, a beam is in thine own eye?
Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy
brother's eye.

SUBJECT – IT'S NOT THEM, IT'S US!![2]

When I left off last month, I said I would go deeper in to our problems, and explain why Jesus said, we need to 'see clearer' before we try to correct our brother.

This all stems from the fact that, unless you can see the whole picture/all the evidence, you will not be able to arrive at the correct decision about any situation.

Now, in our case, we form opinions about things, based on what those that we look to for guidance [mainly preachers], tell us. We do this because, this is supposed to be a person that is being directed by God.

But, here again, is one of those beams in our eyes. We come to this conclusion, based on the amount of education [degrees/titles and such] that the person may have. Or, their popularity in our community. If they have a reputation of doing good, then, if they decide to become a minister, they have our full support.

As I mentioned last month, this is good, if the person is going in to some type of business venture. But, it is a disaster when you apply that same logic to ministry because, ministry is a Holy calling from God. You don't choose to be a man of God, He chooses what you will be.

As I have said so many times before, God doesn't call those that have prepared themselves, He prepares those that He has called!!

This is the big difference in our thinking.

We think that the more educated a person is, the more they know about God, and what is right and wrong. We also think, the more liked/loved and individual is, the more likely God has His Hand on them.

Nothing could be further from the Truth.

If you will recall, there is another entity that the Bible speaks of, that is being totally ignored, and he likes it that way. It is Satan!!

You see, if we ignore him, then he can continue to wreak havoc on us, and we will either blame God, or our brothers.

I am reminded of an old cartoon where there are 2 guards guarding the entry way to a palace. And as they marched back and forth in front of it, there would be times when their backs were to each other.

There was an enemy that wanted to get in, but, he was unarmed. So, what he did was, when the guards backs were to each other, he would throw a rock and hit one of them in the back of his head. With no one being in sight, he thought his partner did it. On the next pass, the enemy did the same thing to the other guard. This led to a fight between the two, which led to both of them disabling the other, so the enemy just walked on in.

This is the same scenario Satan is using today, to get us fighting with our brothers.

Everything that goes wrong in our lives, we are looking for someone to blame. And as is the primary target, we blame whites first.

Problem is, we don't even realize one major fact, and that is, we all have the same parents, Adam and Eve!!! This means we are all brothers and sisters.

Realistically speaking, I don't personally know anyone that is white, or black!!

If I take a white piece of paper, and hold it against what you consider a white person, I should not be able to tell the difference between where the paper ends, and their skin begins. By the way, the same thing goes

for blacks, and a black piece of paper.

I am not going to get in to the race thing, here, but suffice it to say, if you look at the evidence that is common knowledge, scientifically backed, whites were here first.

Anyway, as I was saying, the black community, has no business trying to straighten out, blame or punish any other community, given all of the evil that we perpetrate on ourselves, and against God.

I gave you 2 examples last month, with Don Imus, and Trayvon Martin.

However, that is only the tip of the iceberg!!

We have no respect for ourselves, yet, we demand everyone else's respect. What kind of asinine logic is that???

And, worse yet, we have no respect for God and His Laws, yet, we want to call ourselves His people!! Not only that, but we imply that He thinks of us, more highly than all others, especially whites.

The fact that we try to draw Him in to our mess, is one of the main reasons for our problems.

Rom 1:23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

This scripture is saying that we are trying to make God, to be like us??

And leading the way, are black preachers, because it is their influence and position in the community that gets us to think like that.

As a result, God leaves us to our own imaginations, and the result is what you see on the news every single day.

Hundreds of us can be murdered every day by another in our community, and black preachers, and organizations like Black Lives Matter [BLM], are nowhere to be found. But, let 1 white citizen, or police officer injure or kill one of us, which happens about twice a month, if that, and these people come out of the woodwork, and raise all types of hell, calling the person a racist!!!

In the cas of police, they have started a movement, to, get this, get rid of them, by defunding them.

Many of these black preachers, hold to the idea that **once a racist, always a racist!!**

My question is, if you truly believe that, then why is it you throw all of your support behind a political party, that was founded on it??? **HYPOCRITES!!!**

Martin Luther King Jr., Malcolm X, John F. Kennedy, Abraham Lincoln and others, all highly regarded by the black community, in their battle to free the slaves, from the bonds of captivity, and poverty, were all assassinated by leadership of this party, and yet, you say we need to support them??? **HYPOCRITES!!!**

You say that they have changed??

Have you noticed that in every city where they have had control for decades, like Detroit, MI, the public schools in neighborhoods that are primarily black, are graduating kids that are far behind in educational levels, than other kids in other neighborhoods???

And when someone says parents need to have a choice to send their kids to better schools that are in better neighborhoods, or private/parochial schools, with a proven track record or producing kids graduating, that are college ready, you come out and say that's taking money away from the teachers in those schools. **HYPOCRITES!!!**

You are saying you care more about teachers, and their well being, than your own children's future!! HYPOCRITES!!!

Then you complain that your kids can't get a decent paying job, and want to force the jobs that they are only qualified for, to pay them better wages!!

And, since this took place several decades ago, those kids are now parents.

And, as some of the schools have improved their standards, there is another problem. And, that is, when their kids come home, with homework, these under-educated parents, can't help their child[ren], because of their poor education. So essentially, you end up with the same result, failing kids.

All because of black preachers in leadership!!

Another one of our problems is, unforgiveness.

Jesus tells us, **Mat. 6: 14-15** For if ye forgive men their trespasses, your heavenly Father will also forgive you: *But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.*

Notice the underlined part. How many of you today, are holding anger and resentment against whites today, for something their parents/ancestors did 50 or more years ago, let alone over 450 years??

And you claim to love the Lord, and want Him to Bless you??? **HYPOCRITES!!!**

In the eyes of the world no less, the black community in this nation is a laughing stock.

Here we are supporting a political party, whose main agenda, is to keep us under their feet. Even though all of the evidence to this, is right in front of our faces.

They kill off anyone that is a threat to that end, or they will use one, or more of us, to achieve it.

The presidency of Barack Obama, is a good example.

While most blacks cheered the swearing in of our first black president, most liberals were cheering too. The reason being his election opened the door for them to get our support in doing something they had tried under Bill Clinton, but failed. They wanted to get control of the single biggest sector of this nation's economy. The healthcare industry.

They tried to do it under Clinton, but failed, because the black community didn't trust Clinton. They knew they wouldn't get a chance after George Bush got elected.

At the end of Bush's second term Hillary ran for the office, but was convinced to let a black man take the lead, They figured if they couldn't get blacks to support Bill in their endeavor, then, putting up his wife would no doubt end with the same result.

So, Barack Obama was nominated, and blacks came out of the woodwork to vote for him, and he won!!

And, what was the first thing he did??

Reform the healthcare industry. When he couldn't get certain things passed, he issued

executive orders. All of which were met with approval of blacks, and liberals.

As you can see, the party with the history of racism, has no problem using a black person, to achieve something that will give them more control of us. HYPOCRITES!!!

And why can't those black preachers see this?? Because the door to God, is closed to them. As a result we have the scripture, **Matthew 15:14** Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.

Now in this last election, the current president, Joe Biden, chose a black woman, as VP, to help him win the election, by getting blacks to support him, because of her.

Prior to Jimmy Carter being elected in 1976, blacks were seeing their economic conditions improve, as many poor blacks from the south, came up north and got good paying jobs in the auto, and other plants. They were buying new cars and houses, and the 'racist' whites in the south didn't like seeing blacks having a higher income than them.

What happened next, is a lesson for us to learn from.

Carter got in office, and began putting forth regulations that were designed to destroy those auto manufacturing jobs, by making the vehicles meet emission standards which forced the price of the average car to nearly double.

At the same time, foreign automakers, whose vehicles met those standards, were invited to bring their plants to the U.S.

And where did they build those plants??? In the racist southern states, after most blacks had moved to the north. Not only that, but those automakers did not have to pay union scale, because they did not have to have unions.

The end result was, most blacks lost those good paying jobs, and look at where we are today. Back on government assistance, with the liberals in control.

If you want to cry systemic-racism, then, you are supporting the very people that put it in place!! HYPOCRITES!!!

It is time for us to get some new leaders. Leaders who have the favor of God, or else we are doomed. It is us, that are our problem, and not whites!!

Hopefully, next month, I will close this message, giving you the more serious problem we face, thanks to black leadership!!
